MEMORANDUM FOR: See Distribution

SUBJECT: Meeting on 3 June Concerning
Post-Mayaguez Tasks

1. General Wilson wishes to discuss various matters concerning the "post-Mayaguez" activities of the IC Staff and the USIB collection committees. Specifically, he would like to discuss the seven tasks which we are committed to pursue as a result of his briefing of USIB on 22 May. These are:

- Invigoration of NOIWON;
- Issuance of national nervous system directory;
- Drafting of new SOPs for watch centers;
- Drafting of new DCID on critical intelligence and related matters;
- Briefing of USIB on CONTEXT;
- Consideration of the role of USIB collection committees during crises;
- Examination of advisory procedures for US merchant ships.

2. A meeting on these subjects is to be held at 1100 in General Wilson's office on Tuesday, 3 June. He hopes that you can attend.
